

## **Bowenwork Review Class**

**Instructor: Various**

**Email: Various**

**Class Format: Teleseminar**

**Hours/CE Credit: One ABA continuing education credit per class hour**

**Cost: \$85 per class hour**

**Pre-requisites:**

- Completion of the highest module for the procedures covered
- Software that enables two-way audio and video with the instructor
- The presence of a model on whom to demonstrate and practice the procedures

### **I. Rationale:**

Provide a flexible and personalized review for Bowenwork students and practitioners wishing to refine and review procedures previously learned in Modules 1-12.

### **II. Presentation Aims and Outcomes:**

#### ***Aims:***

Enable students and practitioner to interact with instructors in real-time to:

Discuss Bowenwork procedures, observe the instructor demonstrating Bowenwork Procedures

Practice procedures under the virtual supervision of the instructor.

### **III. Presentation Requirements:**

Instructors may set up one-on-one review classes with an individual to participate in a “virtual classroom” setting that approximates an interactive, hands-on experience

Instructors will include the following details when posting review classes on the ABA website, so they are found using the “Find a Class” search tool:

- the number of the module for review
- the date/s and time/s for scheduled reviews OR “by appointment only.”
- the number of hours (duration and CE credit)
- the online platform/s required for connection to the instructor

At the end of each class, the instructor will send an evaluation form to each participant for completion and transmission to the ABA Administrator. Upon receipt of the completed evaluation form, the Administrator will update the student’s Profile with the appropriate number of hours

The instructor will provide a class list and fee sheet to the ABA Administrator at the end of each Review class.
